**GREEN CHILE CERVEZA** - Every August at the brewery, we roast thousands of pounds of Hatch green chiles for this beer. Frozen in giant tea bags, the chiles wait to be steeped in our light lager, post fermentation, for seven days. The chile infuses the beer with a mild roasted chile flavor and leaves you with just a hint of heat on the back end.

**DESERT PILSNER** - A true German style pilsner with German yeast, German Noble Hops and 100 percent German Durst Malt. This lager is fermented at 55 degrees for one week and lagered (German for stored) for at least two more weeks. The sharp hop bite up front is intended to keep the palette clean; giving the beer high drinkability. There is no after taste, the finish turns right off. This is the perfect session beer. Take home a six pack to enjoy at home with your next spicy meal!

**IBU - 78 | ABV - 5.8%**

**ALIEN AMBER ALE** - One of our most popular beers, it is best described as a malty amber. Crafted from Two Row base malt along with eight specialty malts sourced from England, Canada, and Germany to create a clean, heady, malty amber. This beer has an excellent caramel malty finish. Complex and refreshing.

**BONE CHILLER BROWN ALE** - Winner of two consecutive medals at the Great American Beer Festival in 2012 and 2013! It is brewed with English Ale yeast. In the English tradition, we use only English Fuggle hops. The complexity of this Brown Ale is created mainly by the chocolate and dark chocolate malted barley. There is a roasted coffee flavor with hints of chocolate and nutty or nutmeg finish on the back of the tongue. Bone Chiller has the widest spectrum of flavors of any brown ale on the market.
